Terms & Conditions

1. Payment

A deposit of \$100 or 25% of the total, whichever is greater, is due upon receiving a signed copy of the Rental Agreement. The remaining total is due on the scheduled delivery date. Renter shall pay all charges incurred in connection with the rental. After final payment is received for rental term, a receipt will be sent by e-mail. Please provide an e-mail address where the paid invoice copy may be sent.

In order to avoid a cancellation fee, a reservation must be cancelled more than 7 days prior to scheduled delivery, in which case the deposit will be refunded in full. If a reservation is cancelled 7 days or less prior to scheduled delivery, the deposit is non-refundable. If a reservation is not cancelled within 24 hours of scheduled delivery, the full amount will be charged.

2. Loss or Damage to Trailer

The Owner reserves the right to charge the Renter for all loss, damage and/or mechanical repairs to Trailer and/or accessories, regardless of fault, resulting from abuse and/or misuse and/or negligence.

All keys received by the Renter shall be returned when the trailer is picked up. In the event that the keys are not returned or there are any missing keys, the Owner reserves the right to charge the Renter a replacement fee of \$150 plus HST.

3. Renters Liability

If any claim is made against the Owner by a third party, arising out of the use of the Trailer, however such claim is framed by the third party, the Renter will indemnify the Owner, in full, for any such claim. Neither the Owner, nor the Manufacturer will be liable, in any event, for consequential damages arising from the use or failure or mechanical or other break down of the Trailer.

4. Loss of Use

Renter agrees to pay a sum equal to the regular daily rental rate of the Trailer for each day the Trailer is unavailable for rent, regardless of fault, while any damage and/or mechanical repairs are made.

5. Trailer Delivery & Pick Up

The Renter agrees to accept responsibility for electrical power supply to Trailer junction box, (connection and disconnection), and any necessary licenses, permits and inspections that may be required by local governing bodies. The Renter (or representative on site) will sign off on the condition of the Trailer upon delivery and upon pick up of the Trailer. The Renter will ensure that the Trailer will be free of product and ready for pick up by the Owner as scheduled. It is the Renter's responsibility to ensure all locks, keys, electrical cords, steps, shelving and any other accessories provided with the unit are available upon pick up. If an extension on the rental period is required, it is the Renter's responsibility to provide the Owner with a minimum of 24 hrs. notice to request an extension.

6. Trailer Placement

The Renter agrees that the area where the trailer is to be placed is to be free of obstruction and accessible at time of scheduled delivery. Any delays incurred as a result of site not ready, or excessive waiting time, or requests to return to delivery location to relocate the trailer may result in additional fees.

7. Cleaning

Renter will accept responsibility of having the Trailer unit tidy and ready for pickup at the scheduled time. Renter agrees to leave the unit interior clean using minimal water. Power washing of the unit is prohibited. During the rental period, evidence of normal usage is expected, however if the Trailer has sustained unusual levels of "mess", cleaning charges may be applicable at the discretion of the Owner and will be charged to the same credit card number provided for this rental term.

8. Delays and Possible Breakdowns

Neither the Owner nor the Manufacturer will assume responsibility for loss of time, wages, inconvenience, loss of product, or other consequential damage or experience. It is recommended that the Renter regularly monitor the unit to ensure it is operating at the desired temperature.

9. Prohibited Use

The Trailer of this contract shall not be used:

- a) By any party not specifically named in this agreement.
- b) For anything other than the purposes provided c) In any contest.
- d) In violation of any law.

10. Repossession

The Owner reserves the right to terminate this agreement and repossess the Trailer at any time.

The Rental Contract Agreement will become effective upon execution. Only those with the power to bind on behalf of the Corporation may execute this Agreement. I, the undersigned, have read, understand and agree to the terms stated in this Rental Contract Agreement.
